

Bondi Feast Volunteer Program 2018

Bondi Feast is an annual fringe-style festival made especially for Bondi. For 10 winter nights, Bondi Feast turns the iconic Bondi Pavilion into a carnival playground with comedians, theatre types, musicians and foodies in a festival of all you-can-eat entertainment.

Bondi Feast was developed and run by Rock Surfers Theatre Company when they were the resident theatre company at the Bondi Pavilion Theatre between 2012 to 2015. It is now proudly continued by the cultural programs team at Waverley Council, and headed by longstanding festival directors Rachel Chant and Phil Spencer.

Volunteers have been helping to deliver five festivals that were fun and fulfilling experiences for audiences, performers, staff and volunteers alike.

The volunteer program for Bondi Feast continues under Council's stewardship. There are lots of different ways you can help out to make this festival even more magical!
